“Ethical Responsibility in Your Workplace”
with Bruce Buchanan, ACSW, LISW, BCD**

This workshop explores our responsibilities to our work environment and to ourselves in our work environment. The importance of supervision, record keeping and commitment to employer is discussed. It is designed to understand our ethical duty to people we supervise, to our clients and their records within our agency, and to our employers and agency Board of Directors.

NOTE: This workshop was recorded at Buchanan’s workshop during NASW’s Annual Symposium in April 2006.
