

**EARN 1.25 HOURS OF CONTINUING EDUCATION  
CEUs at Home (*Available on CD*)**

**“Advancing Chronic Illness and End of Life Care”  
with  
Mercedes Bern-Klug, PhD, MSW, MA  
Susan Murty, ACSW, MSW, PhD**

**OBJECTIVES:**

- To be able to articulate how chronic illness dying is different from how humans have died for most of human history.
- To recognize chronic illness patterns of dying among Lunney’s typology.
- To be able to discuss family issues that can arise in advanced chronic illness.
- To be able to define, “palliative care” and distinguish this concept from “hospice.”
- To discuss how end-of-life experiences in rural settings can be different from urban settings.
