The Central Branch has branch meetings monthly, usually at Grounds for Celebration in Beaverdale. We are always looking for new members—please contact Lloyd or Lauren with any questions or for further details.

CEU events are hosted by the Central Branch once a month, from September to May. Our upcoming events include:

February 27, 2007: NASW and University of Iowa Student Career Night
Papajohn Center, 3:30-6:00 PM

March 22, 2007: “A Celebration of Social Work featuring Barbara Boatwright—AN Advocate for Social Justice.”
Des Moines Public Library, 5:00-7:00 PM

April 12-13, 2007: NASW Symposium (No additional CEU event for the month)

The Central Branch is pleased to announce the development of a mentoring program. Along with the University of Iowa—Des Moines Center, the central branch matches interested students with a social work professional to provide mentorship. If interested in becoming a mentor or to request a mentor, please contact Tiffany Smith at tiffanysmith27@gmail.com, or Donna Richard-Langer at donnarl@vsdm.org.
